

BuildWorks Bulletin - 2025/11/12

NEW RFSO for Municipal Engineering Consulting Services

Project Number:	2025-005740	Site Address:	Municipality of Jasper , AB
Owner Solicitation #:		Owner:	Municipality of Jasper
Close Date:	Fri, Nov 28, 2025, 02:00 PM		
Submit Bids To:	Email submission to: operations@jasper-alberta.ca	Addendas:	No Addendas

No site meetings scheduled

Scope of Work:

The Municipality of Jasper is seeking Standing Offers from qualified engineering consulting firms to provide municipal engineering services on an on-call basis. The selected firms will support the delivery of capital projects within the 2025-2029 Capital Plan, including infrastructure assessment, design, procurement, construction administration, and project closeout services. Up to three firms may be selected to form a Standing Offer list.

NEW Unit Crew Trailers - Interior Finishing

Project Number:	2025-005720	Site Address:	Edmonton T5G 0S8, AB
Owner Solicitation #:		Owner:	Alberta Forestry & Parks
Close Date:	Wed, Nov 26, 2025, 02:00 PM		
Submit Bids To:	Email submission to wf.wfts-contracts@gov.ab.ca	Addendas:	No Addendas
Site Meeting Date:	Mon, Nov 17, 2025, 11:00 AM	Site Meeting Attendance:	RECOMMENDED

Site Meeting Notes: Meet at Provincial Forestry Warehouse, 10725 - 120 Avenue, Edmonton, AB. Attendance at the session is not mandatory but is highly recommended.

Scope of Work:

The Province invites formal written proposals for design, labor, equipment, materials and installation for the off-site construction and delivery to the Forestry Provincial Warehouse and Service Center, the interior finishing of thirteen (13) Unit Crew Trailers. The Unit Crew Trailers are to be used by Wildfire Unit Crews as a mobile workshop and equipment transport. The interiors will be finished with cabinets, work bench, desk, storage shelves, power system and heating system. The trailers must be completed, commissioned and delivered by March 27, 2026.

NEW Make-up Air Unit Replacement - Ottewell Place Lodge

Project Number:	2025-005715	Site Address:	Edmonton , AB
Owner Solicitation #:		Owner:	GEF Seniors Housing - Greater Edmonton Foundation
Close Date:	Thu, Dec 04, 2025, 02:00 PM		
Submit Bids To:	Email submission to: bids@gef.org	Addendas:	No Addendas
Site Meeting Date:	Thu, Nov 20, 2025, 10:00 AM	Site Meeting Attendance:	RECOMMENDED

Site Meeting Notes: Information/Pre-bid Meeting

Scope of Work:

Ottewell Place Lodge is a three-storey building with 124 units, located at 6207 - 92 Avenue, Edmonton, AB T6B 0S3. This project involves the complete removal and replacement of the existing rooftop make-up air (MUA) units. GEF Seniors Housing has engaged CIMA+ to prepare the project specifications and drawings (attached). The intent is to deliver a turn-key solution, including all associated labour, supervision, materials, equipment, and coordination necessary for the successful completion of the MUA unit modernization. The successful contractor shall act as the Prime Contractor and assumes all responsibilities accordingly.

NEW Request For Qualification - Design-Build Services - Delton K-6 Replacement School - Replacement Of 7-9 Spruce Avenue School

Project Number:	2025-005676	Site Address:	Edmonton T5B 3W4, AB
Owner Solicitation #:		Owner:	Alberta Infrastructure
Close Date:	Tue, Dec 02, 2025, 02:00 PM		
Submit Bids To:	Email submission to infras.tenderadmin@gov.ab.ca	Addendas:	No Addendas

No site meetings scheduled

Scope of Work:

This project includes replacement of the following two schools:

- Project 1: Delton K-6 Replacement School
- Project 2: Spruce Avenue 7-9 Replacement School

Delton K-6 Replacement School:

It is the replacement of an existing Delton K-6 school located on 12126 - 89 St NW Edmonton in a mature neighborhood of Delton community. The empty parcel of land across 122nd Avenue is to be developed for staff parking. The new K-6 school will be built behind the existing school on the same property. The existing school will remain operational during the construction of the new school. The existing school will be demolished once the construction of the new school is completed and occupied.

Spruce Avenue 7-9 Replacement School:

It is the replacement of an existing 7-9 school located on 11424 - 102 St. NW Edmonton in a mature neighborhood. The new 7-9 school will be built on SW side of the same property. The existing school will remain operational during the construction of the new school. The existing school will be demolished once the construction of the new school is completed and occupied.

Scope of Work:

This opportunity will be open to pre-qualified firms only under: C7300101 Bridges New Construction

This Notice of Proposed Procurement has been issued for information purposes only and represents known information at the time of issue.

The City of Calgary (The City) makes no guarantee that this project will go forward, and it remains subject to change.

No commitment exists under this Notice of Proposed Procurement, and no competitive bid document or further information is currently available.

As the project progresses, the competitive bid document will be posted electronically at the City's Contract Management System (SAP Ariba) and Alberta Purchasing Connection in accordance with The City's standard practice.

Background:

The Green Line Light Rail Transit (LRT) is a transformative public transit initiative aimed at enhancing urban mobility and quality of life in Calgary. It will connect diverse communities by offering improved transportation choices with a new fleet of modern, low-floor train cars designed for accessibility and seamless integration into neighborhoods.

After a decade of planning and securing over CAD \$6 billion in funding from the City of Calgary, the Province of Alberta, and the Government of Canada, the project is advancing towards main construction. Approximately CAD \$1.4 billion has already been invested in planning, design, and preliminary works, setting the stage for the first phase of construction.

Open [Supply and Install of Spray Dryer Steam System](#)

Project Number:	2025-005581	Site Address:	6309 – 45 Street Leduc T9E 7C9, AB
Owner Solicitation #:		Owner:	Alberta Agriculture and Irrigation
Close Date:	Fri, Nov 21, 2025, 02:00 PM		
Submit Bids To:	Email submission to connie.coady@gov.ab.ca	Addendas:	No Addendas
Site Meeting Date:	Wed, Nov 05, 2025, 01:00 PM	Site Meeting Attendance:	RECOMMENDED

Site Meeting Notes: Meet at APBI, 6309 – 45 Street, Leduc, AB. [North entrance] Attendance at the session is not mandatory but is highly recommended.

Scope of Work:

The purpose of this RFP is to secure a reliable and competent Contractor(s) to supply and install a steam / condensate system for the Agrivalue Processing Business Incubator, APBI, at Leduc, Alberta.

APBI is compliant to the Canadian Food Inspection Agency, CFIA, regulations. All personnel including contractors are required to follow food safety practices (no exposed jewelry) including appropriate attire (hair and beard nets, etc.) while traveling to the work areas.

The successful contractor's workers must attend site orientation training in addition to completing an online training module. The training module quiz can be completed offsite and submitted by email or in person.

The supplied and installed steam / condensate equipment will support the installation and operation of an industrial scale spray dryer. All work to be governed by Best Practices, the Alberta Boiler Safety Association will be invited to conduct a mid-installation review in addition to a final compliance inspection.

Site Meeting Date:	Fri, Nov 07, 2025, 11:00 AM	Site Meeting Attendance:	RECOMMENDED

Site Meeting Notes: Meet at Alberta Forestry Whitecourt Warehouse, Address: 4012 - 43 Avenue, Whitecourt, AB. - GPS coordinates: 54.132913, -115.658887 Attendance at the session is not mandatory but is highly recommended.

Scope of Work:
The Province invites formal written proposals for the construction and delivery of an Incident Command Post skidded trailer. Command Posts are used on the frontlines as a structure to house critical resources, manpower and equipment during Wildfire and other natural disaster type events. These Centre's are often the hub for communications and command and control. The Command Centre's must be designed and built to withstand Alberta's climate, rugged backcountry and overly dynamic operational traffic.

Open [Supply of Precast Concrete Chambers and Parts](#)

Project Number:	2025-005548	Site Address:	Calgary , AB
Owner Solicitation #:		Owner:	City of Calgary
Close Date:	Tue, Nov 25, 2025, 04:00 PM		
Submit Bids To:	https://discovery.ariba.com/rfx/23530443	Addendas:	No Addendas

No site meetings scheduled

Scope of Work:

Estimated Value: \$1,500,000 to \$1,600,000

The City of Calgary is requesting quotations from qualified suppliers for precast concrete components essential to municipal water systems. Required products include concrete pipes, flared end sections, manhole vaults, standard manholes, catch basins, and box sections, all meeting industry standards and City-approved specifications.

The goal is to secure reliable sources for parts listed in Appendix B, supporting ongoing maintenance and lifecycle needs. Successful respondents will be pre-qualified suppliers capable of delivering compliant, high-quality products, meeting delivery timelines, and maintaining transparent pricing.

This RFQ will result in a non-exclusive agreement for an initial five-year term, with the option to extend up to four additional years. Respondents must be approved manufacturers or authorized resellers per the City's Standard Specifications Sewer Construction 2025 (Appendix C.1). The City may award contracts to one or more suppliers as needed.

UPDATED [FWG Cranbrook Long Term Care Centre - Tender Package 2](#)

Project Number:	2025-005544	Site Address:	1700 - 4 Street S Cranbrook V1C 3B1, BC
Owner Solicitation #:		Owner:	Interior Health Authority
Close Date:	Thu, Nov 20, 2025, 01:00 PM		
Submit Bids To:	Submission: Electronically through Building Connected and miles.erandio@bird.ca	Addendas:	4

No site meetings scheduled

Scope of Work:

The Dr. F.W. Green Memorial Home is located in Cranbrook, BC. The scope of this project is the replacement and expansion of FWG on the existing campus, using land currently dedicated to staff parking and the building’s emergency generator. The project will include Indigenous engagement and opportunities, climate resiliency, greenhouse gas emission reductions, and a childcare program. 172,000sq. ft.
Please be aware that this is a **multi-phase construction project (Phase 1 & Phase 2)** with a considerable decanting phase to allow residents from the existing building to be relocated to the new, phase 1 building.
This is a Leeds Project.

Project Number:	2025-005538	Site Address:	9660 – 104 Avenue NW Edmonton T5H 4B5, AB
Owner Solicitation #:		Owner:	Alberta Infrastructure
Close Date:	Fri, Nov 14, 2025, 02:01 PM		
Submit Bids To:	Email to EdmontonBuildingsBids@graham.ca and Yang.Liu@graham.ca Attention – Yang Liu	Addendas:	2
Site Meeting Date:	Mon, Nov 03, 2025, 10:00 AM	Site Meeting Attendance:	MANDATORY
Site Meeting Notes: Meet at Former Edmonton Remand Centre, 9660 – 104 Avenue NW, Edmonton, AB.			

Scope of Work:

The Former Edmonton Remand Centre (FERC), located along 97 Street and 103A Avenue, is just outside if the Downtown Special Area. It is in the Boyle Street Community and currently zoned Alternative Jurisdiction (AJ). Below the FERC's south facing paved entry way is an underground light rail transit (LRT) tunnel and station box bisection the provincially owned parcel of land. The FERC is a 7-story plus basement structure with an area of approximately 18,495 m2, built in 1980. The principle structural component is cast in place concrete and the wall cladding is precast concrete. The building has a mezzanine level on the 2nd, 3rd, and 4th floors. The six floor includes a two-story mechanical room and the seventh floor, or penthouse, has additional mechanical equipment and the elevator machine room. There are recreational courtyards with security mesh roofs on the ground and 6th floors. The main floor includes administrative functions, and a gymnasium. Basement areas are primary for shipping and receiving of goods and prisoners, and kitchen functions. The building is currently unoccupied with limited power and utility services.

The building is linked to the adjacent Brownlee Building, Provincial Law Courts, and the City of Edmonton Police Headquarters by an underground tunnel system which parallels the City's Pedway system and is linked to the LRT system.

The intent of this project is to fully abate and demolish the FERC and cap-off existing utility lines and underground infrastructure with no future purposes, with and end state of the current site being constructed for use a parking area.

The intent of this Tender is to solicit and receive formal bid offers to perform the following Work:

Work Package 2.5

Division 02 Abatement - Mechanical abatement of building rubble.

The Project is being tendered and executed in phased work packages. For reference only, the other work packages for this project include the following Work:

Work Package 1 (Previous Phase)

- Hazardous Materials Abatement and selective demolition to provide abatement access.

Work Package 2 (Concurrent Phase)

- Exterior abatement of FERC building envelope (Complete)
- Capping off of existing sanitary lines, storm water lines, and utilities.(Complete)
- Demolition of FERC Superstructure (Complete)
- Hauling and disposal of superstructure rubble (Suspended – Transferred to Phase 2.5)
- Demolition of FERC Basement Structure (To follow Phase 2.5)
- Hauling and disposal of basement structure rubble (To follow Phase 2.5)
- Soil Remediation (On Hold – To resume after Phase 2.5)
- Backfill FERC basement, and rough grade only (To Follow Phase 2.5)
- Subterranean tunnel alterations (In Progress)

Work Package 3 (Future Phase)

- Site Restoration
- Site Utilities
- Gravel Lot Construction

The work described in the above tender packages above are not to be included in this bid.

Owner Solicitation #:		Owner:	Strathcona County - Procurement Services
Close Date:	Wed, Nov 12, 2025, 02:00 PM		
Submit Bids To:	https://strathcona.bonfirehub.ca/opportunities/98713	Addendas:	1

No site meetings scheduled

Scope of Work:

RFX documents should be obtained from the Bonfire portal at <https://strathcona.bonfirehub.ca> The County is seeking proposals for tree maintenance and related services, including but not limited to, tree removal services, pruning, tree climbing, and emergency tree services.

Open Woodlands County Seeks Consultants for 2026-2030 Strategic Plan

Project Number:	2025-005491	Site Address:	Whitecourt T7S 1N3, AB
Owner Solicitation #:		Owner:	Woodlands County
Close Date:	Fri, Nov 21, 2025, 02:00 PM		
Submit Bids To:	Email submission to: cao@woodlands.ab.ca	Addendas:	No Addendas

No site meetings scheduled

Scope of Work:

Woodlands County invites qualified consultants to submit proposals for the facilitation and development of a new Strategic Plan (2026–2030) and the integration and update of departmental Business Plans (2026–2029) into a unified corporate framework. This initiative will establish a refreshed strategic direction for the newly elected Council, ensuring alignment between Council’s priorities, departmental operations, and the County’s long-term vision. The process will include strategic visioning, integration of departmental planning, standardization of service levels, limited community and stakeholder engagement, and creation of a practical communication and reporting framework to ensure accountability and long-term usability.

Open [RFP-2025-EDTI-30-AB-Edmonton \(Distribution\)-Utility Tree Trimming Services](#)

Project Number:	2025-005484	Site Address:	2000, 10423 - 101 Street NW Edmonton T5H 0E8, AB
Owner Solicitation #:		Owner:	EPCOR Canada
Close Date:	Tue, Nov 25, 2025, 02:00 PM		
Submit Bids To:	Online Submissions Only	Addendas:	No Addendas
No site meetings scheduled			

Scope of Work:

The intent of this RFP is to find one or more Successful Proponents to provide vegetation management services within the City of Edmonton, on an as required basis. EPCOR intends to execute a Master Goods and/or Services Agreement (“MSA” or the “Contract”) with one or more Successful Proponents, with the intention of having a primary Contractor (the MSA holder who is the highest scoring Proponent in the RFP) and an alternate Contractor (the MSA holder who is the second scoring Proponent for this RFP) for the scope of work. . For greater clarity, where multiple MSAs are awarded, EPCOR will first contact the primary Contractor for the Work. The alternate Contractor will be contacted to perform the Work if the primary Contractor is unable to perform the Work due to scheduling/timelines or is not able to meet pricing and/or other EPCOR requirements.

UPDATED Dr. Anne Anderson High School (DAAHS) Addition – Design-Build ‘Progressive’

Project Number:	2025-005478	Site Address:	1 Kingsway Ave Edmonton T5H 4G9, AB
Owner Solicitation #:		Owner:	Edmonton School Division
Close Date:	Thu, Nov 13, 2025, 02:00 PM		
Submit Bids To:	https://epsb.bonfirehub.ca/opportunities/96954	Addendas:	2
Site Meeting Date:	Wed, Oct 29, 2025, 02:00 PM	Site Meeting Attendance:	MANDATORY
Site Meeting Notes: Proponents must attend the Site Visit Meeting per date and time above. Proponents must register with reception upon arrival into the main entrance and complete the sign-in sheet. Address: 11810-35 Avenue SW			
Site Meeting Date:	Tue, Oct 28, 2025, 07:50 AM	Site Meeting Attendance:	OPTIONAL

Site Meeting Notes: Project staff - No PPE Required

Scope of Work:

The Division has selected the Design-Build project delivery method with emphasis on collaboration and focus on continuous and consistent Design-Builder, consultant and Division participation. Project governance will foremost lie with representatives from the Division, Design-Builder, major trade contractors and major discipline consultants (ASME & Cost). Essentially, this is the Project Leadership Team accountable to senior Division leadership; Project Executive Committee having overview of the entire project execution. The Division will engage a Design-Builder, through this NRFP process as the primary contractor taking the responsibility of executing the contract and sub-contracting firms necessary to meet the contract objectives. Proponents are also required to name their prime architectural consultant for the project and contract with the architect per the requirements of CCDC 14 Design-Build Stipulated Price Contract (2013) Including Supplementary General Conditions, attached in Appendix A.

Scope of Work: <i>EPCOR is seeking a qualified contractor for the supply, installation and commissioning of a 15kV, 3000A (double bus arrangement), 40kA Medium Voltage SF6 Gas Insulated Arc Resistant Switchgear (GIS). This scope includes but is not limited to the design, manufacturing, factory testing, delivery, offloading and all on site installation and commissioning of the aforementioned switchgear. The building that will house the switchgear shall be designed and constructed by others. During the design stage of the switchgear building, the Successful Proponent shall provide all necessary information required to the building manufacturer to design a building suitable for the housing of the Successful Proponent’s switchgear. The performance of the Work requires the furnishing of the specialized tools, equipment, miscellaneous materials, testing devices, and supervision of EPCOR personnel by the Successful Proponent during construction, commissioning and testing. The Work shall include the materials, auxiliaries, equipment and labour not herein specifically mentioned but which are found necessary to complete or perfect the Work or any portion of the Work in compliance with the requirements of the specifications and technical specifications. The Successful Proponent will work on site closely with EPCOR to ensure that the Work is completed safely and on time.</i>

Project Number:	2025-005399	Site Address:	9613 - 100 Street, Morinville Sturgeon County T8R 1L9, AB
Owner Solicitation #:		Owner:	Sturgeon County
Close Date:	Thu, Nov 13, 2025, 02:00 PM		
Submit Bids To:	Online Submissions Only	Addendas:	2
No site meetings scheduled			

Scope of Work:

This Invitation to Tender (the “ITT”) is an invitation by Sturgeon County (the “County”) to prospective bidders to submit bids for **Sturgeon County Gravel Supply**, as further described in Section A of the ITT Particulars (Appendix B) (the “Deliverables”).

The objective of this Tender is to solicit bids from qualified contractors for the supply of road gravel for Sturgeon County for the year 2026, with an option to extend for a second year (2027), to be completed on a yearly basis, based on satisfactory performance in year one.

Please note that the award is based on budget approval and may or may not be procured pending funding.

The quantities presented are estimated annual volumes that may decrease or increase, at the discretion of the County, based on the need for Gravel in 2026 and 2027. The quantity requested may change pending funding approval, and the County reserves the right to adjust material quantities for both years 1 and 2.

The County reserves the right to increase quantities up to **double** the initial estimates provided in each year, as required at the pricing provided under the successfully awarded contract, and for any potential extension.

This is a potential group purchasing agreement that is also accessible to neighbouring towns and municipalities. The primary agreement and service priority being the County. The County may increase gravel quantities as required to accommodate neighbouring towns and municipalities.

Submit Bids To:	Online Submissions Only	Addendas:	4
No site meetings scheduled			
Scope of Work: The intent of this RFP is to find successful Proponents to provide labour, materials, tools and equipment for hydrovac, directional drilling and related services on an 'as and when required' basis for two years with an option to extend the contract for additional three years.			

Open [Full Service Marketing Agency of Record](#)

Project Number:	2025-005372	Site Address:	2000, 10423 - 101 Street NW Edmonton T5H 0E8, AB
Owner Solicitation #:		Owner:	Epcor
Close Date:	Tue, Nov 25, 2025, 12:00 PM		
Submit Bids To:	Online Submissions Only	Addendas:	4

No site meetings scheduled

Scope of Work:

EPCOR is in the utility business and the work we do makes our communities safe, energized, comfortable, clean, vibrant and healthy. When we do our work well, the public trusts us, takes our advice and buys from us repeatedly. That's why, from a marketing and communications standpoint, we work to connect deeply with our audience, lead the way, dare to stand out and be innovative. Our internal team of communications and marketing experts want to work with an agency of professionals who can help us reach or exceed our goals by bringing bold and fresh ideas and perspectives on our business. We're looking for an agency that has vision, experience, a good sense of humour, the ability to execute to a high standard, knows how to work well with others, has a passion for great ideas and wants to share it all with us —every chance they get.

Open [Aquatic Air Handling Unit Replacement](#)

Project Number:	2025-005370	Site Address:	221 Jennifer Heil Way Spruce Grove, T7X 4J5, AB
Owner Solicitation #:		Owner:	TransAlta Tri Leisure Centre
Close Date:	Fri, Nov 21, 2025, 02:00 PM		
Submit Bids To:	lricher@trileisure.com	Addendas:	1

No site meetings scheduled

Scope of Work:

The TLC is seeking proposals from qualified contractors for an Air Handling Unit replacement project as further described in this RFP. The current AHU is nearing the end of its operational life and requires replacement to ensure optimal air quality and climate control within the aquatic area of the TransAlta Tri Leisure Centre. The AHU is situated above the pool area southeast portion of the roof. In addition to the replacement of the unit, new design details include additional ductwork inside the facility, which is outlined in the RFP specifications.

UPDATED PRE-QUALIFIED BIDDERS ONLY 939488 Supply and Delivery of fertilizer, grass seed, and landscaping materials

Project Number:	2025-005199	Site Address:	,
Owner Solicitation #:		Owner:	City of Edmonton - Corporate Procurement & Supply Services Branch
Close Date:	Mon, Nov 17, 2025, 04:00 PM		
Submit Bids To:	Bidders who are interested in submitting their bids should click on "Respond to Posting" and accept and submit Prerequisites to SAP Ariba posting in order to view the complete Sourcing Event. Bidders will then need to accept the bidder agreement and accept the Prerequisites to view the complete Sourcing Event.	Addendas:	4

No site meetings scheduled

Scope of Work:

The City of Edmonton (the "City") invites bidders to submit bids for this Sourcing Event for Supply and Delivery of fertilizer, grass seed, and landscaping materials. The Goods to be provided by the successful bidder is outlined in the Description of Goods document attached to the Form of Agreement Section in the SAP Ariba platform. Intended term of Contract: 2 years, commencing March 2, 2026 and in the City's sole discretion may extend the term on the same terms and conditions for up to 8 additional years. The length of any extension(s) will be at the City's sole discretion. The City may enter into contracts with more than one bidder pursuant to this Sourcing Event. How to Access the Sourcing Event Bidders who are interested in submitting their bids should access the SAP Business Network Discovery or by clicking the following link: <https://discovery.ariba.com/rfx/23477260>

Open 935511 - Pre-Qualification of Prime Contractors - Long Term Neighbourhood Streetscape Projects-2025

Project Number:	2024-005421	Site Address:	Edmonton , AB
Owner Solicitation #:		Owner:	City of Edmonton - Corporate Procurement & Supply Services Branch
Close Date:	Sun, Nov 30, 2025, 04:00 PM		
Submit Bids To:	https://discovery.ariba.com/rfx/21570513	Addendas:	4

No site meetings scheduled

Scope of Work:

The City of Edmonton (the “City”) invites participants to submit responses for this Sourcing Event to pre-qualify participants for Neighbourhood/Alley Renewal and Streetscape Renewal Construction projects-2025. The Prequalification is the first step of a 2 step process the City is using to find qualified and capable participants for Neighbourhood/Alley Renewal and Streetscape Renewal Construction projects which shall include the removal and replacement of sidewalk, curb and gutter (separate and monolithic structures), lane crossings, curb crossings, roadway milling, road base reconstruction, asphaltic concrete resurfacing, catch basin realignment and manhole adjustment, low impact development features, streetlighting, streetscape features and related work on developed streets, according to the referenced plans, profiles, sections and details. The scope of work also includes improvements to some open spaces (eg. pathways, plazas, etc.) as outlined in the referenced plans. The City intends to issue Invitations to Tender to the prequalified participants, in the second step, in order to select general contractors for some of the City’s multi-year projects starting in the 2025 construction season, using the Design Bid Build project delivery model and the City’s standard Design-Bid-Build contract (modified as needed for each particular project). The City may issue up to two (2) Covered Sourcing Events, if the capital budgets for the relevant projects are approved. The projected completion for these projects ranges from 2025 to 2028, depending upon the project. Only prequalified Participants will receive notice of covered Sourcing Events .

The City asks that participants submit their response to this prequalification sourcing event within 25 calendar days of its issuance to allow the City to determine whether they are eligible for the first Covered Sourcing Event related to this prequalification. The City also requires that participants submit their response to this Sourcing Event at least 14 calendar days before the City issues a Covered Sourcing Event in which the participant is interested. Participants must score at least 70% on the City’s evaluation in order to be added to the list of prequalified participants. The method for evaluation is described in the Sourcing Event Documents posted on SAP Ariba. Later, in order to bid on Covered Sourcing Events related to this prequalification, participants will need to provide bid security and have an ISNetworld (www.isn.com) current subscription and have certain required documents and a passing grade on its Company

Profile. A “passing grade” is a grade of A, B, or C.

This Sourcing Event falls within the scope and is subject to the applicable provisions of the New West Partnership Trade Agreement, Chapter 5 of the Canadian Free Trade Agreement, Chapter 19 of the Comprehensive Economic and Trade Agreement, and the Canada-United Kingdom Trade Continuity Agreement. The list of prequalified participants resulting from this Sourcing Event may be used for procurements covered by these agreements.
